Re: Reed v. 2With Deli Corp. et al  
Case No.: 20-cv-08061 (PGG)

Your Honor,

This office represents the Plaintiff in the above referenced employment discrimination action. On February 4, 2021, the Parties informed the Court that they had reached a settlement in principle subject to the execution of a mutually agreed upon settlement agreement. On February 8, 2021, the Court Conditionally Ordered dismissal of the above action with prejudice subject to either party making an application to restore. The Parties are currently in the process of finalizing a written settlement agreement which is to be executed by the Parties. Given this, the Plaintiff requests a thirty-day extension of time to restore the action, from March 10, 2021 until April 9, 2021. No previous requests for an extension of this deadline have been made.

We thank the Court for its courtesy in this regard.

Very truly yours,  
LAW OFFICE OF WILLIAM CAFARO
